PRESIDENT'S MESSAGE

Dear Fellow Residents of Indian Lake,

The monthly meeting of the Board of Directors was held on Tuesday,

President's Message (continued)

April 12, 1988, at the Indian Lake Country Club. Thirteen people attended the meeting, including Board members, guests, and the Association's legal counsel.

Treasurer's Report

Jack Sweeney included the following figures in his report to the board;

Money Market Fund - A.G. Edwards ----	\$	49.34
Money Market Fund - Bank One -----		4,900.86
Checking Account Balance -----		2,802.84

North Beach

The beach clean-up, previously scheduled for May 7th, was changed to April 30th. This change was made because the North Beach gate is scheduled to open May 1st, and because the original date fell on Mother's Day weekend. Port-o-Let and trash removal services will be determined at the next meeting.

South Beach

J.D. Bush and Fred Lee plan to replace the damaged gate post. Rob Parker reported that the pontoon boats currently being stored on the South Beach would have to be removed before Beach Clean-Up Day.

Lake Conservation

John Miller reported that the pump had been repaired and that the draining of the dredge pool pond could begin. John has obtained 300 feet of new net to repair and rebuild the existing gill nets. He reports that the distance from the top of the dam to the bottom of the dam is eighteen feet, and that the last time he checked, there was a distance of thirteen feet from the top of the dam to the silt level.

Property Maintenance

Red Harris has been removing and cutting up tree limbs from the park and beach areas. Community members are urged to pitch in and help with this huge task. Red reports that a new basketball net has been installed, and that the tennis net would be up soon.

President's Message (continued)

Dam

Fred Lee will follow up on electrical repairs and fencing for the dam area.

Women's Committee

Suzy McDaniel, President of the Women's Committee, reported to the Board that the Monte Carlo Night, sponsored by the Women's Committee, netted about \$600.00 profit. A few suggestions for use of those funds were made by the Board members, including applying the money toward playground equipment, landscaping around Indian Lake signs, or holding the money for future use.

Suzy also explained that hospitality packets are being prepared for new residents, and that a new directory would be out this fall.

The Board looks forward to working with all residents through this spring and summer season on Indian Lake.

Sincerely,
Joe Hoone, President
I.L.I.A.

INDIAN LAKE WOMEN'S COMMITTEE REPORT

by Suzy McDaniel

Now that spring is really here, (and we know it is 'cause we saw the Easter Bunny,) the Women's Committee is busy making plans for what we hope becomes a wonderful season enjoyed by all. We held our last meeting at Donna Schroeder's beautiful home. THANKS Donna! In addition to our regular members, two past members, Zelda Upton and Bev Minter, joined our evening gathering. We also were very pleased to greet two new faces, Cindy Coulter and Angie Vogt.

We began by planning what looks to be a delicious lunch for all the hard-working BEACH CLEANERS. There will be HOMEMADE chili and deserts. Sodas will be available, and I can smell those hot dogs on

the grill. So PLEASE COME! We'll have fun making everything pretty to enjoy all summer.

Plans were also made for our 2nd ANNUAL GARAGE SALE. The date was set for June 4th, from 9 a.m. to 3 p.m. This is a great time to clean those closets. The nice thing is that what you don't sell can be left at the playground to be picked up by Amvets. We will have more information in the next Smoke Signal. However, if you already know you want a table, please call Linda Parker (823-4796.) Linda will reserve a table for you.

Those new directories should be ready by this fall. Anyone wanting to advertise in our "Indian Lake Phone Book" should contact Marge Crouch (823-6474.)

Helen Brodie graciously agreed to host the 1988 ICE CREAM SOCIAL. We are lucky to have Helen as our host again! This event has been a GREAT HIT! I understand that ice cream toppings better than Helen's are hard to come by. So, watch for flyers coming in June with all the information. THANK YOU Helen! I'm sure we are all looking forward to this luscious social.

The committee also made plans to fill the barrels at each sign, and at the beach, with flowers again this year.

WE ARE PROUD TO ANNOUNCE A GRAND TOTAL of \$625.00 !!!!!!!!!!!!!!!!!!!!! made at our Monte Carlo in February. There have been many thoughts on what to do with these proceeds. If you have ideas you would like to see the committee consider, please call me (823-4206.) THANKS

again to all those helping hands, especially Fred Lee, (who dealt a great hand for the house,) Will Peck, (who stood behind a Texas Poker table ALL night long,) and Vivian Mathews. (Those guys couldn't have made it without you at "Chuck of Luck," Vivian.) Please

Women's Committee Report (continued)

accept my apologies for missing you guys in the last issue.

And speaking about that Easter Bunny, what a FUN, FUN day we all had at the Easter Egg Hunt! It was very well attended by approximately fifty children and their parents and grandparents. We were Blessed with no rain, and Claudia Hoone as chairman. Claudia really overdid herself this year, (like always.) We THANK YOU, Claudia. We realize these things don't just fall together on their own.

Hope this fills you in on upcoming events to watch for. We wish everyone a VERY HAPPY and HEALTHY SPRING!

"ACROSS THE FENCE"

Maureen Wagner

Happy days are here again! Two signs that summer is just around the corner:

The temperature is on the way up.

Saturday, April 30th, is Beach Clean-Up.

Some of our neighbors went vacationing, and in most cases their trips took them to warmer climes.

Jill Crouch, a student at Taylor University, went with the school's well-known cycling group, "Wandering Wheels," to pedal around Israel for the month of January.

Bill Testin and Rick Canfield headed to the Florida Keys for diving and sailing. Did you notice Rick sailboarding on Indian Lake on April 23rd? The water temperature was 62 degrees. Rich was wearing a wet suit.

Vivian Mathews had a very needed rest in a luxurious condo in Panama City Beach, Florida.

Jack and Carol Sweeney, and both their mothers, drove to California for a family wedding and vacation.

Across The Fence (continued)

Hugh and Johanna Jones were very happy with our local weather for the three weeks that Johanna's sister, Ingrid, and her husband, Johann Ruhrig, were here. Mr. and Mrs. Ruhrig are from Frankfort, Germany. They enjoyed their time in Indiana, and were impressed by Indianapolis. Needless to say, Johanna enjoyed having her family here.

Our dear friend and long time resident, Louise Hoskins, has just undergone eye surgery. Our best wishes to Louise.

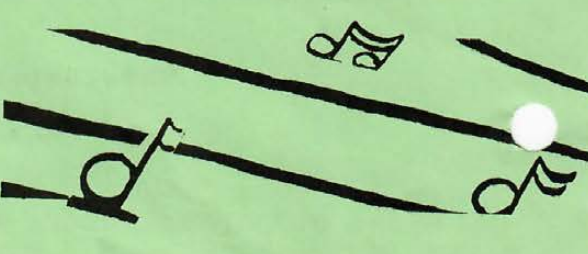

Congratulations to Mr. and Mrs. Grimme on the birth of their new grandson.

HAPPY ANNIVERSARY TO YOU'

The Kopitzkes celebrated their 51st wedding anniversary on April 18th. April 27th was the wedding anniversary of Mark and Angie Vogt. On April 5th, the Hoone's marked their 13th anniversary.

Happy birthday to you.
Happy birthday to you.
We won't give you ages,
'Less you want us to!

April Birthdays:

Dennis Coulter - 12th
Mark Vogt - 17th

Dave Upton - 23rd
Linda Hope - 24th

Linda Parker - 27th

Take a drive around West Dr. and see a very important symbol - a new flagpole and flag in Jane Quirk's and the Rhorman's yard. Other families who fly the flag almost daily are Hokes, the Schmolls, and the Koehring's. Wouldn't it be special if all the homes would fly our country's flag, at least on special days.

Our father's God, to thee
Author of liberty,
To thee we sing .
Long may our land be bright,

With freedom's holy light.
Protect us by Thy might,
Great God, our King!

Until next month,
Maureen

EASTER EGG HUNT

On Saturday, April 2nd, fifty of Indian Lake's "Pride and Joys" defied the weather man, and made this year's Easter Egg Hunt the biggest yet. We had hoped to print the names of every child in attendance, but we ended up with an incomplete list. Besides all the happy little "Hunters," many parents and grandparents attended, rekindling old memories, and making some new ones.

Jane Ann Kopitzke and Linda Parker served egg-filled "nest" cupcakes and fruit juice to the entire crowd. Their contribution to the day was appreciated by all.

Rob Parker brought his close friend, THE EASTER BUNNY, to add to the celebration. Mr. Bunny was a most festive fellow as he talked with children, bounced babies on his knee, and handed out treats and prizes. Thank you, Rob. Your Ol' Easter Pal was the highlight of the day!

Golden Egg Awards went to Marie Hobbs, Nicholas Jacobs, and Chad Sterns.
Youngest Child Award was won by Trey Birch.
Grand Prize for finding the most eggs was won by Chad Sterns.
