## P R E S I D E N T ' S   M E S S A G E

Fellow Residents of Indian Lake:

It appears that spring has made it's debut at the lake...again. There is nothing like a few days of warm weather to give us Spring Fever. Seems most residents lost their spring tulips and daffodils by the unexpected freeze and snow, but we are on our way to recovery.

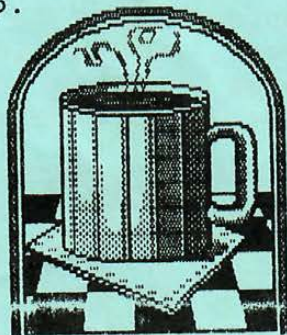

## C L E A N - U P   P R O G R A M

With warm weather - our thoughts turn to clearing of the winter debris. APRIL 25TH is the day we have set aside for our Clean-up program. We will be meeting at the Beaches at 9:00 a.m. (shovels, gloves and rakes in tow) to start our day. This year we would like to extend the clean-up to include the roadways along both sides of the lake, with crews meeting somewhere along Indian Lake Rd., on the east end. Glad bags will be donated for this litter clean-up.

The Women's Committee will serve lunch at noon on the North Beach for both sides of the lake, at noon. We look forward to having our largest turnout ever!

**MARK YOUR CALENDARS FOR THIS IMPORTANT DATE!!!!!!**

In addition to Indian Lake, many other communities in Lawrence Township will also be doing a clean-up in their neighborhoods on April 25th, which is in conjunction with Earth Day. To "kick off" this city-wide effort there will be a brief program starting at 8:30 a.m. at the Lawrence Community Center at Lawrence Park (Franklin Road) with coffee and donuts being served. You are invited to come by and get "fired up" for the start of the Indian Lake Clean-up.

PRESIDENT'S MESSAGE . . . (continued)

\* \* \* \* NEWS \* \* \* \*

Along with this edition of the "SMOKE SIGNAL" will be a reminder of the lake rules and regulations. Please read and abide by them as they are constructed to provide the best of our lake benefits for all to enjoy.

I also encourage all property owners to complete the neighborhood surveys and return them to Marge Crouch, so she may continue with lake improvement plans. So far the results have been good, with most complaints pertaining to unkempt property. It is spring and all are encouraged to spruce up.

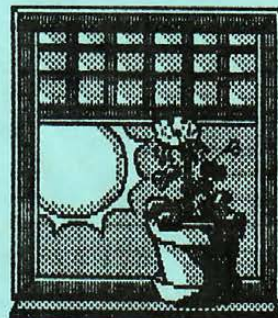

New signs have been made for both beaches and the dam. The signs explicitly state "PRIVATE PROPERTY" and warn that trespassers will be prosecuted. Three signs will also be placed stating that "Swimming is done at your own risk, no lifeguards on duty".

Again, I hope to see a large turn-out for the clean-up. If you have any equipment or trucks we may use for the cleaning of the roadways, please coordinate with Joe Hoone, Joe Rohrman (North Beach) or Don Schroeder, Bud Nelson (South Beach).

J.D. Bush - President

## COMMUNITY SURVEY

The community-wide survey is going great! We are getting so many great comments, ideas and suggestions. We really appreciate each of you taking the time to give your thoughtful responses. We are hoping to have these completed within the next few weeks. We will then compile all of the information and will be able to give you some feedback on the results of what all of you and your neighbors would like to see changed or enhanced in our community.

## LAKE NEWS!!!

There are alot of boats that have already been launched in the water. Several new ones! It is nice to see some of our new neighbors enjoying the lake already. Speaking of boats, July 4th isn't too far away for our Boat Parade!

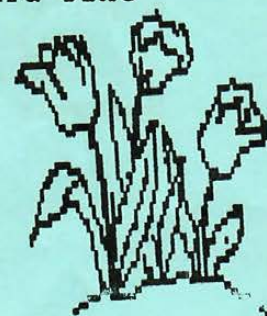

## PROPERTY MAINTENANCE

Hats off to Candy and Rodney (they purchased Pricilla Repass' home) for all the hard work they have already put into their property. The next time you drive by their house notice their mailbox.

## "ACROSS THE FENCE"

Maureen Wagner

Hurrah, Hurrah, Winter is past, Spring is here and Romance, Romance, Romance is in the Air. What a wonderful time of the year. So much is going on around the Lake it is utterly impossible to keep up with everything. I'll tell you about the weddings this time, and I'll try to get around to visit all our new residents before the next Smoke Signal.

Bob and I have the joy and privileges of attending the Wedding of Bill Testin and Judith McQuiston. The new Sanctuary of 91st Christian Church was the setting for the service. Their magnificent new organ with its ranks and ranks of pipes, is enough to thrill anyone who loves music. The listener gets goosebumps especially when the organist displayed the organs power with Heavenly Trumpet music by Purcell.

ACROSS THE FENCE . . . (continued)

Judith is on the tiny side, and in her beautiful gown she reminded me of the little bride on the top of so many wedding cakes. The five bridesmaids were in dresses of a deep sapphire blue. At the reception, Bob and I had a special time visiting with Judith's Grandmother and found out the McQuiston family hail from the Ulster-Scots town of Ballynahinch, Co. Down Northern Ireland.

The family also has connections to McQuiston Memorial Presbyterian, a church that is well over 200 years old and with which I am well acquainted. The dinner was excellent so was the music and dancing which made this event an unforgettable evening spent at the Ritz Charles on North Meridian.

Our best wishes to Bill and Judith and may God Richly Bless.

Another Wedding also on the South Drive, was that of Carey Messick and Beth A. Richards. The April 11th Ceremony was at Christ's Community Church, Fishers, Indiana. Beth wore a beautiful traditional gown and the bridesmaids wore pink. Larry, Carey's foster son had a special part in the service. A dinner reception was held at the Whyndham Hotel. Carey has resided on the Lake for quite a few years, and we are looking forward to meeting Beth in the very near future.

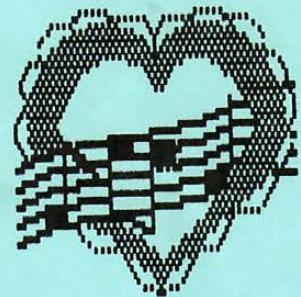

To these young couples we send a very special wish.

May your days of Happiness, be as numerous  
as the Stars in His Heavens.

Your Sorrows just Shadows that fade in the  
Sunlight of God's Love.

Sorry, we have to say good-bye to the Adolay Clan. I will miss my long conversations with Debbie, and we will miss the children too. We wish them God's speed, and hope they enjoy their new home in Columbus, Ohio. Our best to Ted as he tackles another area of responsibility with the Tandy Corporation (Radio Shack).

We are also sorry to say good-bye to the McFarlands, we have enjoyed their company. However, I can appreciate their strong family ties that takes them back to Northern Indiana.

## Across The Fence . . . . . (continued)

I have absolutely no idea who penned the following lines, but I sure like it and believe it is true.

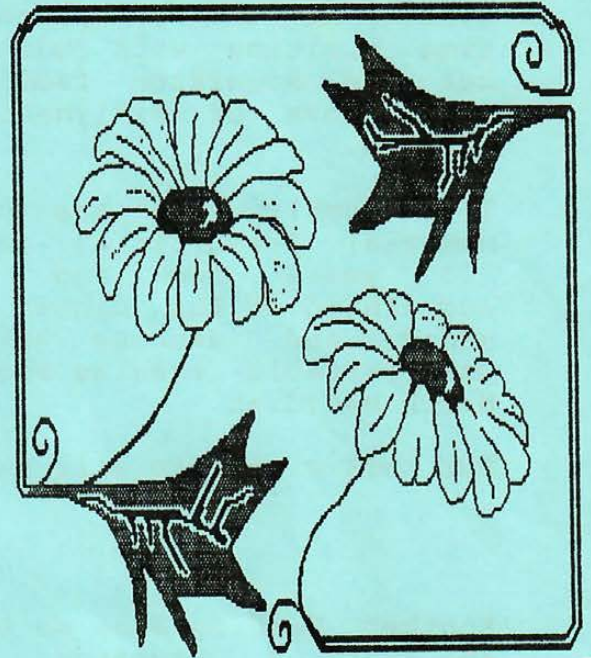

Friendship - pure, unselfish friendship  
All through like's allotted span,  
Nurtures, strengthens, widens, lengthens,  
Man's relationship with man.

Another saying that is very true.

The only way to have a friend  
Is to be one yourself.

Until the next time.

Maureen
