Assemble 6 hours after sun rise (2:00 PM)  
Must depart by 2 hours after sunset (7:00 PM)

Prizes For Costumes  
Canoe Races for All Ages

### Across the Fence

Quite often it is my pleasant task to welcome new residents to our neighborhood. This time I want to extend a very hearty welcome to two fine gentlemen who are not residents. Officers Bennett and Brown are indeed part of our community and are doing a wonderful and very efficient service for us. The children delight in the friendly waves they receive each evening as the officers patrol the area and a lot of parents are resting easier too.

Oh where, Oh where has every one gone? Oh where, Oh where can they be, why Europe, Asia, Africa, America and Australia. Actually the only continent we cannot claim to having a member of our community visit is the interesting and varied continent of Africa. Who knows, maybe someday soon someone from Indian Lake will take a notion to go there.

We send our best wishes and God Speed to Jim and Dorothy Kummerer as they leave us to spend 3 years on Taiwan (or Formosa as most Americans call it). I am sure they are aware that our thoughts and prayers go with them as they travel to the land of the sleeping dragon. To you good folk we say

I LU PING AN

May you have a very peaceful journey. We are also very sorry at the prospect of losing the Doyle Smith family. Doyle and Anita have been neighbors for approximately six years and of course we have watched Nora grow from a little girl to a lovely young lady. Doyle has been transferred and Anita and Nora will move to New York sometime this summer. Frank Knox was hobbling around for a week with his foot encased in bandages and a special shoe. Frank's explanation was surgery for the removal of a bone. I just wondered if maybe the Totem Pole in his yard bit him, or if he got mad at the tree he was cutting down and tried removing it with a hefty kick.

cont. onto next col.

Cruising around the lake last Saturday, saw Bob Nicholas and some of his relation hard at work. Would have come over and helped Bob, but something was wrong with the darn pontoon - it just would not go in that direction at all. Anyway, the lake wall looks very nice indeed.

Mr. Zainey was another one hard at it over the weekend. But he was using a bull dozer. Looks like a new driveway for the Zainey's.

Spotted a new small barn on Mr. Bud Reeves property when I was around that way last week. Sure looks very attractive.

Wally Armstrong III has landed himself a perfect job. Wally will be teaching golf under his former coach at the Chase Golf Camp in New Hampshire. The camp is sponsored by the P.G.A. Wally Jr. and Lois just spent a weekend in Davenport, Iowa helping Lois's mum celebrate her 80th birthday. Lois has four surviving uncles and one aunt all approximately the same age as her mother, they traveled from several different parts of the States to Iowa for the celebrations. Tommy Armstrong will be leaving in a week for one of the last frontiers of America. Tommy will travel with the explorer post from Fort Harrison to Ely, Minnesota. There they will pack their canoes with the necessities of life and travel into the wilderness.

John Trittipio really had a trip to remember. John had been saving for some time and on the occasion of his graduation from Lawrence Central he boarded a jet and headed for New York. John visited with an Aunt who seen he had the royal treatment. Included in his tour of the city were tickets to hit shows on Broadway.

Sue Cummings became the bride of James Jones last Saturday. Susan looked beautiful in a gown of linen and lace. Pam was her sisters main of honor in a gown of iridescent green. The two bridesmaids, Miss Trude Wright and Miss Debbie Sanders wore gowns of iridescent lemon and were just perfect. The attendants all carried cascades of yellow flowers. Mrs. Doyle Smith, Miss Nora Smith, and Mrs. David Meeker assisted at the reception.

Cont. on page 4

The Jerry Johnson family took the opportunity of an early vacation. Soon as the children were out of school they headed for a weeks rest at Dietz Lake. Son John brought home two snappers whom he named Myrtle and Dyrtille. Three days before they left son Mike broke his thumb.

Heritage Christian School held its annual field day and sharing in the awards were Miss Elizabeth Wagner, Elizabeth won a first place ribbon in the broad jump and a second place in the soft-ball throw. Miss Patricia Wagner won two first place ribbons one in the 30 yard dash and one in the 50 yard dash and a second in the softball throw. Bobby who is a sixth grader competed with the junior high boys and won a third place ribbon in the shot putt.

HAPPY BIRTHDAY to Miss Barbara Jones, Miss Beth Godward, Miss Patricia Wagner, and Mr. Kerry Weaver.

See the Glenn Brown family have joined the sailing fraternity here on the lake. Happy sailing folks.

Mrs. Don Greene has returned from a long trip to California to tend to her mother who had a very serious operation. Glad to have Suzzan back among us.

thought for the month

There is a debt of service due from every man to his country, proportioned to the bounties which Nature and Fortune have measured to him.

Thomas Jefferson

See you at the picnic.

Maureen

On the following page is the next installment on Indian Lake History by John Repass - Next month's issue will be the following:

The demise of the Paleo-Indians and the settlement of the Eastern Archaics in this area.
