INDIAN LAKE WOMEN'S COMMITTEE
REPORT

by Suzy McDaniel

GREETINGS FROM THE INDIAN LAKE WOMEN'S COMMITTEE!

We are starting to get into a busy time of year with fall and winter. The committee began making plans for the season at our last meeting on October 17th, at Helen Brodie's. Helen's a great hostess! Thanks, Helen!

Marge Crouch surprised us with the final copy of the directory. You should all have your copy by the time you read this Smoke Signal. The directory was printed again by "First Copy," and they did an excellent job, as always. Marge was able to acquire support from many advertisers. Quite a few have been faithful supporters. Remember, it is through them that we are able to have the convenience of a community

directory at no cost to us. It would be nice, and I'm sure much appreciated, to recognize this when you have a need for their services. If you have called them because their nice ad struck your eye, LET THEM KNOW!

Flo Peck, Linda Parker, and Tammy Birch graciously volunteered for the Monte Carlo Committee. We are all getting excited already. It sure was a fun project last year. If anyone has any "white elephants" you might keep the auction in mind. We will be asking for donations sooner than you think. Everyone seemed to enjoy the auction as much as the games last year. So mark your calendars for February 25th, 1989. More news to come as plans are made.

Start saving those plastic milk jugs!!! The illuminary was a success last year in spite of the rain. Wouldn't it be really something if we had no rain and total participation this year!

LET'S GO FOR IT on Saturday, December 17th. If it should rain, then we'll all be ready to try again on Sunday, December 18th. It is a beautiful way to see and feel the warmth of that CHRISTMAS SPIRIT! Need any help or instructions? Feel free to call any committee member. Watch for directions to make milk-jug luminarias in the next Smoke Signal.

We are pleased to announce that Tammy Birch has accepted the job of editor for the Smoke Signal, beginning with the January, '89 issue. Tammy would appreciate a call from anyone who would like to help with articles.

THANK YOU CLAUDIA HOONE !!!!! Everyone has had a lot of fun reading the past Smoke Signals. You really went all out with the pictures and needed bits of information. We all wish you the best with your professional endeavors.

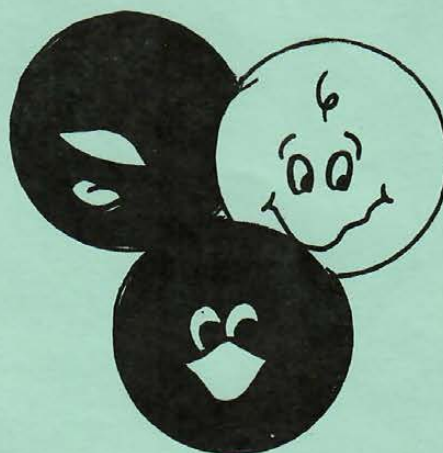

Women's Committee Report (continued)

The next meeting of the Women's committee will be on Monday, November 14th, at the home of Jane Ann Kopitzke. Jane's address is 10439 Indian Lake Blvd., South Drive. We've got a lot to do, and can use all the help we can get. Please join us.

A MOMENT IN INDIAN LAKE HISTORY
by Claudia Hoone

Twenty years ago: October, 1968. Fall parties abounded as Sandy and Jerry Johnson hosted a weiner-roast for children aged 9-12. Younger children were treated to a Haunted House party at the Wagners, and adults enjoyed a Hootenanny at the North Beach, under the Harvest Moon.
