

SMOKE SIGNAL

INDIAN LAKE IMPROVEMENT ASSOCIATION

Message from Gary Keithley

Since the last Smoke Signal the Board of Directors have been working on the financing and purchase of a dredge, crew to man the dredge, enlarging the silt trap to accommodate additional silt, etc. Current schedule of events: delivery of the dredge the week of July 24 and enlargement of the silt trap the week of July 10.

The Board is also reviewing the by-laws. Per by-law language every twenty- (20) years a review of the bylaws is to take place. In the event recommendation to revise are made revisions must be approved by the Indian Lake residents at the annual meeting. This will take place during the 2001 annual meeting.

The past quarter the Board has evaluated several issues including but not limited to the beaches, easements, drainage, etc. Also, the Association has not incurred beach security expense this year. Do, in large part, to Indian Lake residents policing themselves.

As always the Board of Directors invites all residents to attend the board meetings. The Board meets at 7:00 p.m. the first Monday of the month at the Indian Lake Country Club.

Wishing Indian Lake residents an enjoyable summer.

The Indian Lake Civic Committee by Diane Connors

Well the summer is here and nearly gone, but there are so many things to look forward to in activities. Our May meeting was held at the home of Ruth Peters. She teased our tastebuds with many great deserts. Our July meeting was held at the Frenchs by Sheryl Harper. This meeting was very productive with many members present. I would also like to welcome a new member, Sherry Wallace, who lives on the south side with her husband David and their two children. Also Happy Birthday to Sheryl Harper she will be 30 (AGAIN)!?

We all looked the part for the picnic this year. This years theme was a POW-WOW and WOW was right! Several Indians were present with Kathy Zainey as best costume. Other winners were Linda McDaniel and Becky Lee with each one winning a basket. There were also several winners of candles that were door prizes. I would also like to thank Kathy VanTreese for chairing the event. As usual she does a wonderful job with her energy and creativeness.

I know that Monte Carlo has been mentioned several times in the past and we are working feverishly on it but your help is also needed. In order for this event to go we need volunteers for 5 committees and they are:

1. Materials
2. Workers
3. Gifts for auction
4. Publicity
5. Set up and take down

If anyone is interested please call Diane Connors @ 826-9673. We have set a tentative date for 2-24-2001.

Our next meeting will be at the home of Betty Schroeder @ 10324 Indian Lake Blvd S Dr on Sept. 18th at 7:30 p.m.

Mr. and Mrs. Hair have experienced numerous trespassers on their property who are accessing our lake through their property. They are asking for suggestions for a solution to this problem.

A huge "Thank You" to Bill Testin for the hard work he did to beautify the barrel at the Indian Lake sign at the corner of Winona.
