While Shepherds Watched Their Flocks

CHRISTMAS. C. M.

I Heard the Bells on Christmas Day

Away in a Manger
MUELLER. H. H. H. H.

Now in this same district there were shepherds out in the fields, keeping watch through the night over their flock, when suddenly there stood before them an angel of the Lord, and the splendour of the Lord shone round them. They were terror-stricken, but the angel said, 'Do not be afraid; I have good news for you: there is great joy coming to the whole people. Today in the city of David a deliverer has been born to you--the Messiah, the Lord. And this is your sign: you will find a baby lying wrapped in his swaddling clothes, in a manger.' All at once there was with the angel a great company of the heavenly host, singing the praises of God:

'Glory to God in the highest, and on earth his peace to all men.'

DATES TO REMEMBER

Congratulations and our very best wishes to Bill Testin (South Drive). Bill is engaged to Miss Judy McQuiston formerly of Richmond Ind.

Judy is now working and residing in Indianapolis, she and Bill are both very active in 91st street Christian Church, where they will be married March 21st.

Dick and Ernestine Lyke are very proud of their granddaughter Amanda. Amanda has been taking piano lessons and has competed very successfully in the 4 H music festival this past year.

Not all jobs are fun or even enjoyable, but working on the Smoke Signal is both fun and enjoyable and a lot more besides. All good things have to come to an end. (or in this case, just slow up.)

Old age etc. has caught up with me, but what an innings I've had. Well over 20 years with our little news sheet. Tammy Birch will be taking over as editor, as of Jan 1992. All the hard work will fall on her shoulders. Tammy has been an excellent editor of the S.S. before and it is always a pleasure to work with her. Lord willing I hope to be able to continue with the Across the Fence column and will have a wee bit more time to catch up on all the happenings around the Lake. My special thanks to Linda Creed and Jerry Okey for their help.

DEEPEST SYMPATHY.

Our deepest sympathy to Pat and Jack Grey on the death of their daughter in law Darlene. Darlene the wife of their son Jeff was killed in a tragic accident on Pendleton Pike. Pat and Jack are long time residents of the lake and the young couple lived nearby.

TO ALL INDIAN LAKE RESIDENTS... AN URGENT APPEAL:

Whatever happened to our Indian Lake pride? Whatever happened to our spirit of co-operation?

The general meeting draws a very poor attendance — the summer picnic is getting smaller.

The ladies (God bless 'em) had to cancel their yard sale because of a total lack of interest.

Nobody seems to really care about the community as a whole anymore — trash is actually "dumped" on our beaches!

If the general overall appearance of the Indian Lake area goes to pott we will all suffer. ie. All of our property values will go down together; property isn't selling too well as it is now.

The board wants & needs your input, but we can't do it alone, people. Nor can a small handful of dedicated ladies on the womens committee.

Sincerely,
Your Indian Lake Board of
Directors
