

INDIAN LAKE SMOKE SIGNAL

FEBRUARY 1995 INDIAN LAKE IMPROVEMENT ASSOCIATION

PRESIDENTS MESSAGE

Indian Lake Neighbors:

The annual meeting is over, the New Year is well on it's way and the cold weather has finally arrived. However, the days are getting longer, the groundhog did not see his shadow so warm weather must be just around the corner.

Your Board members for 1995 are as follows along with the committee on which each will be serving:

Marge Crouch	823-6474	President
Red Harris	823-4735	Property Maintenance
Gary Keithley	823-6561	Lake Conservation
Fred Lee	823-4687	Dam
Will Peck	823-4246	Watershed Alliance
Joe Rohrman	823-4218	North Beach
Ed Thomas	823-9618	North Beach
Andy Van Treese	823-8900	South Beach
Jeff Van Treese	823-6690	South Beach

Joe Rohrman is Vice President and Jack Sweeney will again serve as Treasurer of the Association.

I am honored to have the privilege of serving as the President of your board this year. It is an assignment that each of us on the Board takes seriously. We are looking forward to a productive year, early spring, easy beach clean-up, and of course, no security problems.

Our meetings will be held at 7:00pm, the first Wednesday of each month at the Indian Lake Country Club. Each of you are invited to attend at any time. If you wish to address the board, please let me know in advance so that it may be added to our agenda. This will allow us to keep on schedule as well as respect the time your Board so willingly gives.

The major project that the Board has been dealing with over the past year is the dredging of the lake . It is going to happen! We do not have a definite time schedule but it **WILL** be this spring.

Until the next time.....Marge Crouch

Indian Lake Civic Committee

The Indian Lake Civic Committee met on January 16, 1995 for the first meeting of the year. (Thanks to Jane Ann Kopitzke for hosting!) Our new officers are:

President - Kate Eaton
Vice President - Kristine Thomas
Secretary - Joyce Van Treese
Treasurer - Suzy McDaniel

We have set up dates for future meetings and most of the events that will take place throughout the year. Please feel free to come and join the crowd. All meetings are held on Mondays. It's a great bunch of hard working community members concerned with the community presence and people that share in it.

ACROSS THE FENCE

The winter so far has been wonderful, short and cold with just enough snow and ice to make a perfect combination. The south side hill has been used for three weeks of perfect sledding, with one exception. Nathaniel Hobbs lost a tooth, got a stitch in his lip and scratched his face when he tangled with a tree.

Quite a few skaters of all ages have been following their snow shoveled pathways over the ice. The large expanse at the North Beach was cleared by Frank Helfer, Bud Powers and Ed Thomas, thanks fellows, YOU ARE GREAT!! All our bushel baskets of skates came down from the attics to be used by various children. Is there anyone in the business of sharpening skates? If so give me a call.

Tammy Birch, a former resident, was a very active member on the women's committee for many years. She recently gave birth to a beautiful little girl Elise Victoria, Elise joins three big brothers. Bob and I were astounded when we turned on Duffy's Diner the other night. Duffy is usually good for a restaurant recommendation. The guests with Duffy for the evening were Tammy and her husband Bob. Just like Tammy, pack the week full and enjoy it even when you are expecting a baby at any minute. Another happy family right here on the lake, Ron and Kathy Tucker, welcomed their first child Benjamin Patrick, in December. Benjamin is now ten weeks old and at that wonderful stage he wraps everyone around his little finger just by smiling. Speaking of ten week olds, Robert & Sandy Joseph were blessed with Aaron Robert a wonderful brother for Katy. Kevin and Mary Zainey also welcomed their first child in early December, Alexis Noel. Alexis, like all of our children, is lucky to be raised on Indian Lake. But, she's especially lucky because her Daddy grew up here and he knows where all the best fishing holes are, plus her neighbors are also her Grandma and Grandpa. Tina and Tony Oeding received their blessing on Sunday, Jan. 29th. Evan Joseph Oeding weighed in at a very healthy 9lbs 6ozs. Maybe we will have to look for a Notre Dame Football Shirt for him. Do You remember this verse from a childrens hymn? "A little child may know His Fathers name of Love tis written on the earth below and on the sky above. Around me when look, His handiwork I see. This world is like a picture book to teach His name to Me". What a fantastic little place for these lovely parents to bring a child up and to teach them about God's creation.

Our Deepest sympathy to our neighbor of many years, Vivian Matthews. Some things we will never understand on this earth. We will have to wait and ask God why?. Vivian's daughter, Tammy age 30 died a few weeks ago. Tammy had a kidney transplamt a few years back. She leaves a young son, Timmy age 9, who will make his home with his grandmother Vivian and his great grandmother Lillian. Our Love to Vivian, Timmy and Lillian at this sad time. Also our sympathy to the Creeds. Linda's nephew, a young man in his early twenties, died from diabetic complications. Jay was the son of Janeen Creed who grew up on the lake.

Until next time, God Bless,
Maureen

OAKLANDON SENIORS ASSOCIATION

Jane Quirk and Suzanne Keithley attended a meeting of the Oaklandon Seniors Association this month to hear a speaker on the potential development of a commercial area at Fort Harrison. They also came home with goodies from the association's white elephant silent auction. From what they say they enjoyed meeting a good group of people. The association was formed last summer to meet the need for activities for residents of our local community areas. Members meet the third Thursday of each month in the social room at Westminster Village, which is located at Sunnyside and 63rd St.. Some activities on the calendar are for informative speakers, bus trips, games including crazy bridge and bingo, pitch ins, a flea market, a picnic, etc.. Those interested in joining will be **welcomed**. Please feel free to contact Pauline Marquis at 823-6141 or Jo Chatham at 823-6141 for more information.

GOLDEN CONGRATULATIONS

Mr. & Mrs. Harold A. McCullough Celebrated the 50th Wedding Anniversary on January 7, 1995. A reception given by their children and grandchildren was held at the Officers Club at Fort Harrison. Congratulations Harold and Etta, we all wish you the Blessing of many, many more years of enjoyment.

We APPRECIATE the lake residents who support the committee through their advertisements. Let's remember them the next time we go for a phone book to find a service we need done. Here's a phone number to add to your directory along with the proper spelling: John & Lisa Schaupt 823-8291.

CHRISTMAS DINNER

by Flo Peck

Indian Lake had it's first Progressive Christmas Dinner Party on December 10th, 1994, and what a lovely evening it was. We were first warmly greeted by June and Hal Nichols in their lovely "A" frame home nestled in the woods that were decorated with snow. Delicious appetizers delighted us all!

Some of us then walked up to Tom and Kate Eaton's home, others drove. There we had the main course beautifully displayed on an area decorated by Kathy Van Treese. Wonderful salads, vegetable dishes and ham were enjoyed by all.

The last stop was at Lynn and Bill Asher's cozy log home, where coffee and desserts were served.

Twenty two of our neighbors came and the committee has unanimously agreed to repeat this nice event on December 9th, 1995. So if you'd like to be a host phase call Flo Peck, 823-4246. **MARK YOUR CALENDARS!!!!**
