MONTE CARLO

Get ready for the Monte Carlo Friday, October 17th from 7:00 P.M. to 11:00 P.M. at the V.F.W. on Lee Road.

We did a lot of checking before setting the date. There will be no Lawrence Central football game on that night, so let's everyone plan to attend!

We want this to be the biggest Monte Carlo ever! Please support this annual affair.

Anyone having a white elephant or two around, call Linda Van Treese (823-6047) for pick-up.

PIZZA PARTY COMMENTS

The pizza party was a great success, and was attended by over 25 lake teens. Some of the comments were:

Mary Jo Bordenkecker "It was fun!"

Scott Knox "Very good idea to do this for the teenagers. I would like to see another one next year!"

Todd Stearns "I liked it!"

Gene Delph "I thought it was real good"

CONGRATULATIONS

To Mary Maitland Kimball for getting her Master's Degree at Butler.

THANK YOU

To Mr. and Mrs. Ed French for their generosity and the use of their facilities and pool for the "200 Years of America on Parade" picnic. Over 200 residents enjoyed the picnic. Thanks to the people who brought the many delicious covered dishes, also to the many people who wore the costumes which added to the festivities.

Call Linda Van Treese (823-6047) to claim items left at the picnic (quart jars, spoons, forks, wire rim sunglasses, paper plate holder). Linda will not be responsible for these articles after 30 days from the date of this paper.

To Dave Kimball for getting together the Tennis Tournament. Can we have another one late in September, Mr. Kimball?

To the Women's Committee for their work on the annual picnic.

To Bob Marsischke and his combo, the "Rigor Mortis Three", for their terrific music at the picnic!

INDIAN LAKE TENNIS TOURNAMENT

"Hot! Sultry! Steambath! Why do we have to play in the middle of the afternoon? You could fry an egg on that court!"

These were some of the comments by participants in the First Annual Indian Lake Tennis Tournament held the 21st, 22nd and 23rd of June. A happy and fun weekend was enjoyed by the players and spectators. Men, women, children, and even Frank Knox (he vows to win next year) overcame the 90° heat and 90% humidity to play.

Men's Singles: Jack Sweeney did not lose a game in his annihilation of Ron Van Treese and Ron Christian. Sweeney blitzed Van Treese in the first match of the tournament 10-0. The other match saw Ron Christian trailing Tim Hoover 3-5 before a water break. After the rest, Ron slipped by Tim in a tie-breaker 7-6. In the final Sunday morning Jack blasted Ron 6-0 to become the men's singles champion.

Women's Singles: Overcoming the specter of much younger competition, Kathryn Zainey Sr. deservedly won the women's singles. She played her first match against a spunky Jeannette Hoover, and although the games were close Kathryn won the crucial points and the match 6-0. The next match saw Mary Maitland Kimball outsteady Paula Christian 6-1. Linda Van Treese then saw her hopes dashed when Debbie Ferrell bombed her 6-0. Linda may have been out-psyched when she saw Debbie running full speed through the park at 2:00 in the afternoon to be on time for the match.

Kathy Zainey Jr. drew a first round bye. She played Debbie Ferrell in an exciting match that saw Kathy jump to a 3-1 lead before Debbie gained control of her game and tied the match at 4-4. Kathy then hung on to win 6-4. Saturday evening presented one of the best played matches when Kathy Zainey Jr. outhit Mary Kimball to win 6-3. Several good baseline rallies occurred and the spectators applauded profusely for both players.

INDIAN LAKE TENNIS TOURNAMENT CONT'D

In the final Sunday morning a Mother's experience won over a young girl's excitement. Kathy Jr. could not find the natural swing she possesses and her mother made short work of her at 6-3. Congratulations to all the women who played and especially to Kathy Zainey Sr. who is a most deserving champion.

Men's Doubles: Due to a lack of players (next year we hope more adults play), only one match occurred. Jack Sweeney and Tim Hoover paired against Ron Van Treese and Dave Kimball in a 10 game set. Sweeney and Hoover jumped quickly to a 2-0 lead before Van Treese and Kimball rallied to tie at 5-5. After several service breaks, Van Treese and Kimball struggled to win 10-8 (The cold beer tasted extremely good after that match).

Women's Doubles: The women showed their legs and blinding speed in three doubles matches. Mary Kimball and Jeannette Hoover wired in some forehand smashes after a jittery start, and beat a strong Carol Sweeney and Linda Van Treese 10-7. The second match pitted family against family as the Sweeney sisters out-dueled mother and daughter Zainey 10-8 in a match that was resumed Monday after darkness forced postponement.

In the nightcap Monday night Kimball and Hoover displayed forceful net play and backcourt consistency in retiring the Sweeney sisters 10-7.

Young Men (15 and Under): Several exciting matches took place in this division before the spectators watched a well-played finale. Jeff Van Treese won over young Bruce Sweeney 6-0 before Joe Grimme defeated Jeff 6-1. Next, Todd Stearns was well on his way to a victory over Eddie Thomas before losing his concentration and the match at 7-5. Stearns led 5-2 but wilted under tremendous pressure from Thomas. Both players were very courteous and sportsmanlike to each other, and it was a shame someone had to lose.

INDIAN LAKE TENNIS TOURNAMENT CONT'D

Scott Knox won over Dan Van Treese 7-5 in a match that was much closer than expected. Dan played well, but Scott was too powerful. Knox then defeated Thomas 6-2 as Eddie's consistency disappeared. In the final Joe Grimme and Scott Knox played several long rallies. Both served well and hard, but in the end Joe proved his superiority for the day at 6-4.

Young Women (15 and Under): Sweeneys were everywhere in this division. Cindy trounced Heidi Tomkins 6-1 before Lacy Grimme prevailed over Michelle Zainey 6-2. Michelle is a very remarkable player. She played right-handed because she broke her left arm and was wearing a cast. Significantly, Michelle hit some excellent shots right-handed although she had only played that way for three weeks.

Sibling rivalry prevailed in the semi-final match between the dynamic Sweeneys. In a spell-binding match where momentum switched from Debbie to Cindy and back to Debbie, they struggled down to the last point of a tie-breaker with Debbie winning 7-6.

The Sunday morning finale (at high noon) was anti-climatic as Debbie Sweeney was too strong for Lacy Grimme at 6-0.

Juniors: Steven Sweeney, Mitzi and Monte Kimball, Jon Christian, and Matt Zainey participated in a Tennis skills competition and all performed well. Jon Christian won the competition with 124 points, followed by Steve Sweeney at 119 points.

Summary: The enthusiasm and response of the residents who played or watched was gratifying. We hope the next tournament will see double the players. You don't have to be a tennis buff to play; many of those who entered had not held a racquet three weeks before the tournament. So come on! You'll have plenty of practice time before the next tournament. Come over to the court and enjoy one of your own facilities.

A BIT OF NOSTALGIA

Compliments of Mary Warren

The first Indian Lake Civic Committee met May 23, 1962 at the home of Lois Armstrong who served as temporary chairman and was later elected permanent chairman. Seven other women attended, only two of whom still live on the lake - Lou Powers and Jody Trittipo.

Stanley Dayton, a member of the board at that time, explained the duties and responsibilities expected of the committee. Stanley and Helen Dayton lived in the home now owned by Jack and Pat Grey.

Their first project was to be a coffee klatch which was to be held at the Indian Lake Country Club and all women living at the lake were to be invited.

The women agreed that they would like to be known as the Indian Lake Squaws. A treasurer was not elected as the board was asked for \$25.00, and small projects such as bake sales and recipe sales would help pay for incidentals.

In 1963 Mary Nicholas and Maureen Wagner joined the committee. Some of the activities for that year were a fishing derby, a kite flying contest and an Easter egg roll.

At the March 6th, 1963 meeting it was decided the newsletter would be called the "Smoke Signal", and it was typed and mimeographed by Lois Armstrong and Dottie Kummerer.

A big event of 1963 was an ice cream social held at Sheila Scobie's home. The women made 12 gallons of ice cream on Saturday before the social on Sunday and stored it in Dottie Klepfer's freezer. They grossed \$42.50 at the social. Sheila Scobie, now deceased, and her husband lived in the home now owned by Jack and Carol Sweeney.

Since that time, many other projects and changes have been instituted.
