

INDIAN LAKE SMOKE SIGNAL

JULY 1994 INDIAN LAKE IMPROVEMENT ASSOCIATION

President's Message

Fellow Lake Residents,

Your Board of Directors main project this year is coming to a decision on whether to purchase a dredge or contract the job to a dredging company. We have had a lot of input from Lake residents as to which way to go. In the past month we have talked to several dredging consultants and we have several more to talk to in the next few weeks. When a decision is made, we will then apply for a permit from the Department of Natural Resources. While we are going through this process we are getting the silt holding area ready. It needs to be cleared of trees and dug deeper. At the July 6th meeting we will come to a decision as to who will prepare this silt storage area.

Another project that is scheduled to get underway is refurbishing of the tennis court. Lesley Brothers Coating is scheduled to start anyday now.

The July 6th board meeting will be held at the Indian Lake Country Club at 7:00pm.

Have a great summer!

Joe Hoone

Mark your Calendar

July 6th--- Board of Directors Meeting
7:00pm Indian Lake Country Club

July 11th ---Civic Committee Meeting
7:30pm Home of Marge Crouch

July 17th--- Annual Picnic

6:00am - 12:00pm 4th Annual Bob Nicholas Bass Tournament
Look for more info soon. Questions? call Fred Zainey 823-4947

IDENTIFICATION OF MEMBERS

All lot owners and members of their families who are using the lake or other Association property must have an Indian Lake decal placed in the rear window of their vehicle. If all members cooperate by using the decals, any intruders will be obvious immediately.

Anyone needing a new decal or who has not yet received the first please call Candy Worland 823-2596 or Jack Sweeney 823-4891.

New Lake Use Rule

Attached to the last issue of the Smoke Signal were the lake use and water safety regulations. We neglected to add the latest ammendment to those rules which was adopted at the February board meeting. Since motors should not exceed 10 miles per hour or create a noticeable wake, it was decided to prohibit the use of jet skis or wave runners on the lake.

Security

The Indian Lake Board has a letter on file with the Lawrence Police Department. It states the Police have the authority to arrest trespassers on Indian Lake. If you know of anyone trespassing, call the Lawrence Police at 545-7575.

INDIAN LAKE CIVIC COMMITTEE By Candy Worland

Thanks to Flo Peck for having the last meeting at her house. We were happy to have Kate Eaton there with us. New smiles and ideas are always a welcome sight.

We aired our views on the dredge project and are probably as confused as the board on which way to go.

The beach clean up finally was finished on May 14th. Thanks to all who volunteered their time to help and to those who fed the crews.

Thanks to the Vogt family for the glider they donated to the park.

The neighborhood garage sale needs a new co-chairman. Call Mary Zainey (823-0675) if you are interested in helping out or participating.

Look in the mail for your invitation to the Annual Picnic, Sunday, July 17th.

The next meeting is at Marge Crouch's house, 7037 West Drive, July 11th at 7:30pm. Hope to see you there.

"ACROSS THE FENCE"

Summer got a slight push from Geoff Eaton when he went swimming about the first of April. This was no April fools joke because he actually swam a number of yards in 60 degree water. So unless some one informs us otherwise, Geoff holds the record for the first swim of 1994.

Long time resident, Mary Boese, is having to spend some time in Miller's Merry Manor Convalescent Center at Castleton for several weeks. We hope to see Mary home and well very soon. Heard Vivian Matthews mother was not feeling to chipper a few weeks back. Hope things are better now.

Lou powers spent some time with her family in the great state of Missouri, and her neighbor, Freda Helfer, headed for Maryland. Freda said that it was not exactly a vacation but very enjoyable. She got to see the grandkid while helping her daughter and son-in-law move. Freda is also delighted that some family members will be returning from the East Coast to settling the Geist area.

Did you ever know someone who always manages to see the bright side of everything? Well that's our dear friend, neighbor and very long time resident of Indian Lake, Louise Hoskins. Louise, who is very, petite tangled with a large dog, and ended up with a broken left wrist and a badly sprained right wrist. She went to the hospital, but no surgeon was available on the week end. So the wrist was put in a cast, and she proceeded to go on a two day trip with the grandchildren. She returned for surgery the following Tuesday, and a few days later she was home washing the dishes. She did admit that it was not easy trying to wring out a wash cloth with two injured wrists. She had me laughing about the beautiful colors of the rainbow that were covering both arms. I really thank the Lord for the Ladies I have mentioned today, long time residents who have always been a very active part of the community and good friends to so many of us. What more could anyone ask?

As I was finishing this column, I was watching the activity of the birds on our deck. A little chick-a-dee actually came up and stole a piece of bread right out from under the nose of a large squirrel. You know the old saying, "the quickness of the hand deceives the eye". Well that little bird sure taught the squirrel a lesson in speed.

All things bright and beautiful, all creatures great and small
All things wise and wonderful, the Lord God made them all.

Please get out and enjoy our little lake,

Maureen

Congratulations to Kerry J. Brown and his bride Lan Thu Bul. Kerry and Lan were married on June 18th in Kauai, Hawaii. Welcome back to our Indiana paradise.

Cookbooks

We still have cookbooks available for sale. Make sure you have gotten yours and then remember what lasting gifts they will make for birthdays, anniversaries, etc. etc. etc. Call Vivian Matthews at 823-4273 to place your order.
