**President's Message**

Fellow Indian Lake Residents,

As I mentioned in the last Smoke Signal, the main topic your board is working on, is dredging of the lake. At the August board meeting, Bud Nelson stated that he had met with a representative from Dredging Technologies to take depth samples for the purpose of preparing a lake study. This lake study was used by Dredging Technologies to put together a proposal as to the cost of dredging the lake.

Several board members met with John Burns of Dredging Technologies on Saturday, August 13th, to go over his dredging proposal. The cost is about \$12,000.00 per acre. Your board will be discussing this proposal and the lake study at the September board meeting. A decision will be made at that time on the dredging project.

Dredging could start this fall after permits are obtained from the Department of Natural Resources and we complete the work on the silt containment area at the east end of the lake.

The next board meeting will be September 7th at 7:00pm at the Indian Lake Country Club. You are all welcome.

Joe Hoone

## 4th Annual Bob Nicholas Memorial Bass Tournament

Sunday, July 17th, was a wonderful day all around. It began at 5:30am for some of us. Well, at least the sixteen fisherman who joined in on the fun of the fishing tournament. The tournament was not only well attended but the fish attended too this year. Every fisherman caught at least one bass. For some, like Nathan Nelson, it was their first bass.

The 1st place trophy went to Bud Nelson, who caught six fish for a total of 11 lbs. . Kevin Zainey took the 2nd place trophy with a total of 6 lbs. 4oz. from two fish. Needless to say , Kevin also won the optional BIG FISH money, since one of his fish alone weighed in at almost 4 lbs. The 3rd. place trophy went to Dan Wiggins for a total of 6 lbs. 1oz. from four fish. All three also won cash prizes.

Those fishing included Kevin Augsburger , Bud Nelson , Brian Harper & guest, Kevin Zainey & nephew Jesse( this was Jesse's first tournament, he caught a weigh-in too), Jeff & Tom Hair , John Moore & guest, Rick Nelson & son Nathan, Greg Taylor & guest, Rodney Davis, & Dan Wiggins. These contestants not only had a chance at trophies and cash prizes but all received a mid morning pick me up consisting of Bob Nicholas' favorite oatmeal cookies.

## INDIAN LAKE PICNIC 1994

by Kathy Van Treese

The 1994 Annual Picnic was a BIG SUCCESS! Everyone looked great in their western wear. Kathy Zainey and Elise Langenberg were the only Indian Squaws among all the cowboys and cowgirls.

We had about 162 residents at this one!! A big thanks to all of you who sent or called in your reservation.

The food was GREAT. Andy Van Treese catered the Broasted chicken again, for the 3rd year, and Arlette Povalac catered all the other items.

There were two very nice baskets that were raffled off. They were won by Mary Lou Powers and Eddie & Kristine Thomas.

Mike and Kim Shepard were the strolling musicians. Thank you Bill McDaniel for helping to line up the entertainment this year.

This may have been the last year for Michelle Sutcliff as lifeguard at our picnic. She has been the lifeguard for the past 4-5 years. Michelle is going away to school at Ball State. I hope when she is home on vacation, that she would think about helping us again. Michelle has done a wonderful job and we would like to Thank her.

THANK YOU EVERYONE for helping make this picnic another success.

SPECIAL THANKS TO MRS. FRENCH III Thank you for the use of your beautiful Property and for being such a perfect hostess. GOD BLESS YOU.

**SEE YOU THERE!!**

**Across the Fence**

Across the Fence is not in this edition of the Smoke Signal because it's writer Maureen Wagner is in Ireland. I'm sure she is having a wonderful time in her homeland and will have lots to write about when she returns to her home on Indian Lake. God has Blessed us with Maureen and her longstanding column for 31 years. That's right! Looking back at old Smoke Signals it looks like Maureen's first Across the Fence was written for the September issue of 1963. She joined the Women's Committee and jumped right in to more than thirty years of dedicated service. Thanks, God, for Maureen!!!! and Jane Ann Kopitzke, Mary Lou Powers, Freda Helfer, Helen Brodie, Louise Hoskins & Flo Peck. These Ladies have for many, many uninterrupted years supported the civic committee and it's events.

## CHRISTMAS DINNER

Your Civic Committee is planning a festive traveling Christmas Dinner for the Holidays. This would be for adult lake residents. This event would be organized similar to what the southside of the lake has done for the past 15 years. We would need three houses on both sides of the lake to host this gathering. A nominal amount will be charged per couple (1/2 per single) to cover paper goods, set ups (BYOB) and a meat dish. Each couple will be asked to bring one dish of their choice, appetizers, salads, vegetables, or dessert. OUR QUESTIONS ARE:

1. Are you interested in such an event?
2. Would you be willing to host one part of these progressive dinners?
3. If you are interested please respond ASAP to Elise Langenburg 823-9166, Flo Peck 823-4246, or Suzy McDaniel 823-4206, so that plans can be made.

The date would be Saturday, December 10th, from 7:00pm to 11:30pm. The time frames would be 7-8:30 cocktails & appetizers, 8:30 - 10:00 Buffet Dinner, 10:00 - 11:30 desserts & coffee.
